Junior age is to the year of their 18<sup>th</sup> birthday.

The rules for equipment, vaccinations and general competitions rules, follows the rules of the hosting country.

## Showjumping:

There will be held 3 departments (over 3 days) in the following method and heights:

### Junior

Department 1: 70 cm – 274.2.5 with 11 jumps

Department 2: 80 cm – 274.2.5 with 12 jumps

Department 3: 80 cm – 274.2.5 with 12 jumps

### Senior

Department 1: 80 cm – 274.2.5 with 11 jumps

Department 2: 90 cm – 274.2.5 with 12 jumps

Department 3: 90 cm - 274.2.5 with 12 jumps

First phase	Second phase	Placing
Table A not against the clock Minimum 5 - Maximum 7 obstacles	Table A Against the clock Remaining obstacles (Total of minimum 11 and maximum 13 obstacles in both phases)	According to the aggregate penalties in both phases (faults on obstacles and penalties for exceeding the time allowed in both phases) and, if necessary, according to the time of the 2 <sup>nd</sup> phase.

In 274.2.5 ([https://inside.fei.org/sites/default/files/Jump\\_Rules\\_26thEd\\_2019\\_clean\\_correx\\_Art-261.4.4.pdf](https://inside.fei.org/sites/default/files/Jump_Rules_26thEd_2019_clean_correx_Art-261.4.4.pdf)) the equirage rides 2 phases. All equipages, are allowed to ride both phases, also if they get penalties in first phase (though not if the equirage gets eliminated in first phase). The equirage with lowest penalties after both phases is the winner. Equipages with same penalties, is placed according to the time in second phase.

There will be 1 double combinations in second departments. In third department there can be a double combination in both phases. There can be plastic mat (blue “plastic water”) in second and third department. No open water is allowed. Double combinations needs to be “open” without filling.

A separate prize ceremony will be held after each of the departments. The winner is the one with the lowest penalties. Equipages with same penalties, is placed according to the time in second phase. The number of placements follows the hosting country, but no less than 3 will be awarded.

The overall result, will be calculated by adding the penalties from all 3 rounds. If equipages have the same amount of penalties for 1th 2th and/or 3.th place, there will be a jump off against the clock with 6 jumps (on the last day of the competition (directly after department 3), and the equipage with lowest penalties and thereafter fastest time wins.

Other placements follows the hosting countries rules of number of placements. If equipages have the same number of penalties, a jump off will take place, following the above rules. Remaining equipages is places according to penalties, and if equal, the fastest time from third departments second face, determines the placements.

If there are less than 4 participants in each category, the junior/senior will compete again each other. Junior in the junior heights and senior in the senior heights.

Marathon – 4 obstacles (3 obstacles, will be used 2 times in competition) with max 6 gates pr. Obstacles, A-section min 3/max 5 km speed 14 km/t, B-section min 3/max 5 km speed 12 km/t.

Cones carriage width + 25 cm, speed 220 m/min

If there are less than 4 junior participants in driving, the junior/senior will compete against each other, and the juniors will drive the senior marathon/cones.

### **Allround**

Dressage – TEAM COMPETITION TEST Children

[https://inside.fei.org/system/files/Children%20Team%202020\\_0.pdf](https://inside.fei.org/system/files/Children%20Team%202020_0.pdf)

Showjumping – 80 cm, without combinations and plastic water mats. (See the above description of method 274.2.5 under showjumping). The technical level should be lower, than the one for Showjumping

Cones – Carriage width + 25 cm, 220 m/min

If there are less than 4 junior participants in allround, the junior/senior will compete against each other

### **Calculation of allround result**

The results from the dressage, cones and showjumping are converted to points by the number of participants. No. 1 gets points equal to the number of entries, No. 2 gets points equal to the number of entries minus 1 and so on.

If the same equirage performs all three branches, it is given 3 extra points. In addition, extra points are awarded to those placed in the class.

The number of placed is  $\frac{1}{4}$  of the number of starters. No. 1 gets additional points equal to the number of placed, No. 2 gets additional points equal to the number of placed minus 1 and so on. This gives 2 points difference in the total points for the placed, and 1 point difference for the unplaced. If equal placement, the points are shared.

Example: 10 participants and 3 placed.

Place: Participant Points, Placement Points, Total Points

No. 1 10 3 13

No. 2 9 2 11

No. 3 8 1 9

No. 4 7 0 7

No. 5 6 0 6

No. 6 5 0 5

No. 7 4 0 4

No. 8 3 0 3

No. 9 2 0 2

No. 10 1 0 1

Overall results in the allround championship are the total points for each class added together. If there are horses with equal score of total points on medal places, the placement in cones is to determine the ranking. If still equal the placement in dressage, and finally the placement in showjumping.

### **Team competition**

Each country can compete with 3 mix teams. Each team should consist of an equirage from jumping, dressage and driving. The team can choose from both junior and senior equipages to be on the team. Each country can find a reserve in each discipline (jumping, dressage and driving) and it must be someone, who is already participating in the championship. The team can only replace an equirage if a horse is eliminated on veterinary conditions before the competition starts.

The following point system will be used for Team competition and points are given after each department:

- |                             |                     |
|-----------------------------|---------------------|
| 1. Place 26 points          | 11. Place 11 points |
| 2. Place 24 points          | 12. Place 10 points |
| 3. Place 22 points          | 13. Place 9 points  |
| 4. Place 20 points          | 14. Place 8 points  |
| 5. Place 18 points          | 15. Place 7 points  |
| 6. Place 16 points          | 16. Place 6 points  |
| 7. Place 15 points          | 17. Place 5 points  |
| 8. Place 14 points          | 18. Place 4 points  |
| 9. Place 13 points          | 19. Place 3 points  |
| 10. Place 12 points         | 20. Place 2 points  |
| 21. Place and below 1 point |                     |

No points are given to athletes who retire or are eliminated.

The winner of the championship is the Team with the most points after 3 rounds.

With equal score, it is the result from Dressage, then the result from jumping, and then the result from driving that counts.
